Karya Siddhi Hanuman Temple Construction Fund Sponsorship

Dwaja (Flag) Sponsorship Seva - \$5000

This special sponsorship will go towards raising funds for the construction of the permanent Karya Siddhi Hanuman Temple. This is where the divinely beautiful Makarakata Hanuman moorthy, carved for over 3 years with love and supreme care in India, will be installed to bless devotees in DFW.

The Flags, flying on poles standing 6 feet high, will be proudly placed around the Temple grounds until the permanent Temple is complete. Upon completion of the Karya Siddhi Hanuman Temple, special commemorative metal flags representing each sponsorship will be installed in a permanent display.
